

26 Robinson Road

Friday, November 21, 2008

1:17 PM

Ride heads out on Hwy 45 with first stop at Mt. Gilead Road. Second stop is just after turning onto Tunnel Road. Third stop is the Fire Station on Old 37. Be careful on downhill to Griffey Lake. There is a dangerous left hand bend near the bottom. Those that want to gather one last time can meet just before crossing the Bypass. See second map for route home through town.
